

2021

PRODUCER CERTIFICATION

Emblem Health

Start Certification Today:

Our 2021 Medicare Certification is now live!!

Our vendor is still Miramar, www.miramar-agent.com.

Please log in with your previous username and password. Brokers will **only** complete the agent code below and not the agency code. We have changed our Assignment of Commissions process within Miramar to make it easier for your brokers. If they want to pay themselves there will be a checkbox for individual. If they want to pay an agency or their FMO directly there will be a checkbox for that also. They **MUST** enter the TAX ID of their agency or FMO so it may need to be provided to them. If you have any questions please let our team know. We look forward to working with you this upcoming plan year!!
