AHIP Training

You can find the AHIP Training and Certification link conveniently located next to the product training on SPA. AHIP training typically costs \$175. But you won't pay that. Mutual has arranged for a \$50 discount when you access your training via Sales Professional Access (SPA) www.mutualofomaha.com/broker.

Upon successful completion of the AHIP Certification, you may have your results submitted electronically to Mutual of Omaha. No need to Fax or mail your certificate, if you completed your assessment through Sales Professional Access (SPA). If you have completed the assessment using another carrier, no problem. You can still have your results transmitted to us by clicking through the SPA link. You will not have to pay or take the assessment again. You will find instructions on the AHIP page. Once completed, if it is more convenient for you, simply mail your 2021 AHIP certification to seniorhealthsales@mutualofomaha.com and a member from our sales team will get it to the right area.
