

The **2023 Bright HealthCare Medicare Recertification** course is open. If you have not started your recertification, it's easier than ever to complete.

To access, complete and submit this year's recertification:

- Log-in to the Broker Portal ([BrightHealthBroker.com](https://BrightHealthBroker.com))
- Go to the **Resources** tab
- Under **General Resources**, click on **Contracting/Recertification System**

Some important things to note:

- Brokers **must** be certified to sell - and must recertify for each selling year prior to marketing and/or selling a Medicare product.
- You can import your America's Health Insurance Plans (AHIP) and National Association of Health Underwriters (NAHU) certifications.
- If you complete the 2023 Bright HealthCare Medicare Certification before Sept. 4, you will be granted access to pre-order Medicare Enrollment Kits **AND** you will be entered into a raffle for a chance to win a Brümate Brütank 55-Quart Rolling Cooler. This is no ordinary cooler, this is a feature packed insulated all-terrain cooler.

We appreciate your partnership and look forward to kicking off a strong enrollment season.

If you have any questions, please reach out to the Broker Service Unit (BSU) at [Brokers@BrightHealthCare.com](mailto:Brokers@BrightHealthCare.com) or 888-325-1747. Our hours are Monday through Friday, 8 AM to 4 PM CT.
