

## FREEDOM HEALTH INC. & OPTIMUM HEALTHCARE INC.

### 2023 Certification Now Available!

6/28/2022

We are pleased to announce that we have integrated into the **Anthem Certification** for 2023 and it is available starting **today!**

What this means for you:

- 1.) Freedom/Optimum certification is now included in the Anthem Certification.
- 2.) There will not be a separate test/module for Freedom/Optimum in the Anthem certification or VIP Portal.
- 3.) Taking the 2023 certification automatically certifies you for 2022!
- 4.) Once completed, please save/download your certificate for the completion of the Anthem Certification.
- 5.) The Anthem certificate will be uploaded into the VIP Portal in place of where the AHIP upload was in previous years.
- 6.) Here is the link for the 2023 VIP Portal where you can upload the Anthem Certification:  
<https://vipagentsupport.com/Account/Login?ReturnUrl=%2f>

Online Certification Process Required for 2023 Medicare Training:  
*Medicare Advantage and Part D Certification*  
(External-Freedom-Optimum)

In order to market Medicare Advantage and Part D products, CMS requires that agents be certified annually. **The 2023 certification site will be accessible June 28<sup>th</sup> with a simple registration process.**

**2023 Courses required for certification include:**

- **AHIP Medicare Training, including Fraud, Waste & Abuse (FWA)**
- **Compliance training**
- **Product training**

**The AHIP Medicare Training** is one of the courses required to be allowed to market and sell our 2023 plans whether you were certified for Medicare Advantage or Part D plans for 2022 or are just getting certified now. AHIP also includes Fraud, Waste & Abuse courses as part of their Medicare Advantage and Part D certification program.

**AHIP Re-certification:** If you took and passed AHIP certification for 2022, the system will recognize you when you register, and you will be presented the AHIP re-certification course for 2023. Re-certification presents you with all 5 AHIP MA/Part D modules, but you are not required to review the slide **content** for modules 1, 2 and 3. You must complete the review questions for modules 1, 2, and 3 before proceeding to other modules. It is important to note that you will be tested on all 5 parts. Estimated time to complete the AHIP MA/Part D modules is approximately 4 hours. There is a 2 hour time limit on the AHIP MA/Part D final exam. Successful completion of the AHIP exam requires a score of 90% or better. You are allowed 3 attempts per registration to achieve a passing score on the final exam.

AHIP has already updated their site to the 2023 version of the certification and exam. You can no longer access the 2022 version. Our Anthem certification training site which provides access to the certification discount has been updated to reflect this change as well. If you have not taken the 2022 certification and choose to do so now, you will receive credit for both 2022 and 2023 for the AHIP Medicare Training. In addition, if you have not taken the 2022 Compliance and Product Training and choose to do so now, you will receive credit for both 2022 and 2023 upon successful completion.

**AHIP Fraud, Waste & Abuse (FWA):** This additional segment of the 2023 AHIP training program provides information on Nondiscrimination, Fraud, Waste & Abuse, and General Compliance. Successful completion of each topic requires a score of 70% or better. AHIP FWA testing is separate from the AHIP Medicare Advantage and Part D final exam.

**2023 Compliance Training** modules are available now on our Anthem certification training site. Modules include Foundation/Basics, Risk Prevention, Sales Event Reporting and Tools for Compliant Selling. Estimated time to complete a compliance module is approximately 20 minutes, however this may vary. The estimated time to complete the compliance certification exam is 10-20 minutes per module. Required passing scores vary by module and will be noted in the course instructions.

**2023 Product Training** modules are accessible upon completion of the Compliance Training modules. You are required to complete the modules for the products you intend to sell. **If you intend to sell MAPD plans, the Part D course must be completed along with the HMO and/or PPO training. For SNP plans, you must take the SNP and Part D modules, as well as the HMO or PPO module, depending on the type of SNP plan available in your area.** Estimated time to complete a product module is approximately 20 minutes, however this may vary. The estimated time to complete the product certification exam is 10-20 minutes per product module. All product modules require a score of 90% or better.

**To access the 2023 certification site, please see the instructions on Page 2.**

**All agents will need to log in as a first-time visitor and create a profile before starting the certification training.**

Online Certification Process Required for 2023 Medicare Training:  
*Medicare Advantage and Part D Certification*  
(External-Freedom-Optimum)

**User Registration**

1. Click the certification link provided here: <https://anthem.cmpsystem.com/ext/ahip/login.php>
2. Click the “*First Time Visitors*” button to create a new profile.
3. In the Access Code Field, key in **External-Freedom-Optimum** (with hyphens, exactly as shown) and click *Submit*.
4. Agents will be taken to the Registration “*Step 1 of 3*” page where the following fields will need to be populated:
  - a. Last name (enter name as it appears on license)
  - b. Date of Birth (mm/dd/yyyy format)
  - c. Last 4 digits of Social Security Number (SSN)
5. Registration “*Step 2 of 3*” page will display; complete all required fields (marked with a red symbol):
  - a. Click the “Find my NPN” button to retrieve your National Producer Number.
  - b. Create a password and re-enter it to confirm.
  - c. Enter remaining required fields, and complete checkboxes and Terms of Service as appropriate.
  - d. Click the *Register* button.
6. Registration “*Step 3 of 3*” page will display confirming your registration and providing you with your username. Be sure to make a note of this. Click *Continue to Home*.
7. Agents will be taken to the Anthem Medicare Certification Training Center (“Training Center”) for their AHIP, Compliance and Product Training.
8. Click on the 2023 training under My Certifications. The first section that appears on the list will be AHIP Medicare Training. Click the AHIP course title.
9. Click *Yes* when asked to confirm you want to leave the Training Center to go to the AHIP site.
10. Your registration information will carry over from the Training Center to AHIP. Complete the AHIP profile registration/verification by entering your password information and agreeing to the AHIP site’s terms of service and privacy statement. Click *Register* (or *Update Profile*).
11. The AHIP site will confirm your username on the next page. Click *Continue*.
12. You will see a Shopping Cart panel on the right. NOTE: You will be asked by AHIP for upfront payment at Anthem’s discounted rate of \$125.00.
13. Complete the Billing and Payment information. If the Billing information is the same as your Profile information, check the box “Copy profile information.”
14. Click *Go to Checkout*. You will receive an order confirmation. Click *Go to my courses* to begin.
15. Proceed with the AHIP Medicare Training modules and exam, and then the Nondiscrimination, Fraud, Waste & Abuse, and the General Compliance training.
16. You can return to the Training Center from the AHIP window by clicking the “*Return to Anthem*” link in the upper right corner of the AHIP training page.
17. Launch remaining courses by opening each track and clicking on the course title. The course will launch right in your training page and slides will advance automatically. Use the player controls to pause/resume the course or return to previous slides if needed.
18. You must view each course module completely before you are able to access the assessment link at the end of the content.
19. A green check mark will show on the My Certifications page next to each module when it has been successfully completed and a passing score has been achieved on the assessment.

If you have any questions, please contact your lead or director. For any questions that arise once you access the certification site, simply click the Broker Support link under the *Contact Us* section to submit questions to the certification site email box.

***As always, thank you for your business.***
