Change Group

How do I request a group change?

If the group listed for a plan is incorrect and you want to request a group change, you will need to get the Group Code from a plan administrator. Please reach out to your plan and not Miramar:Agent support as the plan has to approve this change.

 **NOTE:** The group code is NOT the same as a program registration PIN code. A PIN code is associated with a particular program and group, but a group code can be used to request a group change at any time and is static for that group.

Once you have the Group Code, click **Change Group** next to the group you wish to update.

Once you have clicked Change Group, a confirmation box will pop up on the screen, and you will be required to enter the Group Code. Click **Change Groups** to finalize the request. A green confirmation banner will appear at the bottom of your screen once you have completed the request.

 **IMPORTANT NOTE:** Your request will be sent to a Plan Administrator to process. The group change will only be finalized once the Plan Administrator has approved the request.

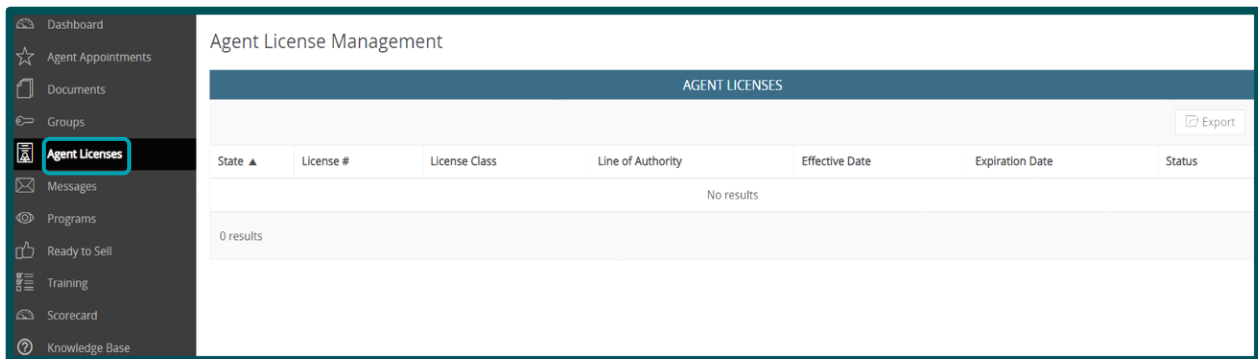

LICENSES

To view your licenses, click **Agent Licenses** in the Dashboard menu to the left of the screen.

 **IMPORTANT NOTE:** License information is refreshed on a daily basis from NIPR.

You may utilize this index to monitor your licenses and track licenses with upcoming expiration dates. Licenses will show one of the following three statuses:

-  Active
-  Due Soon
-  Expired

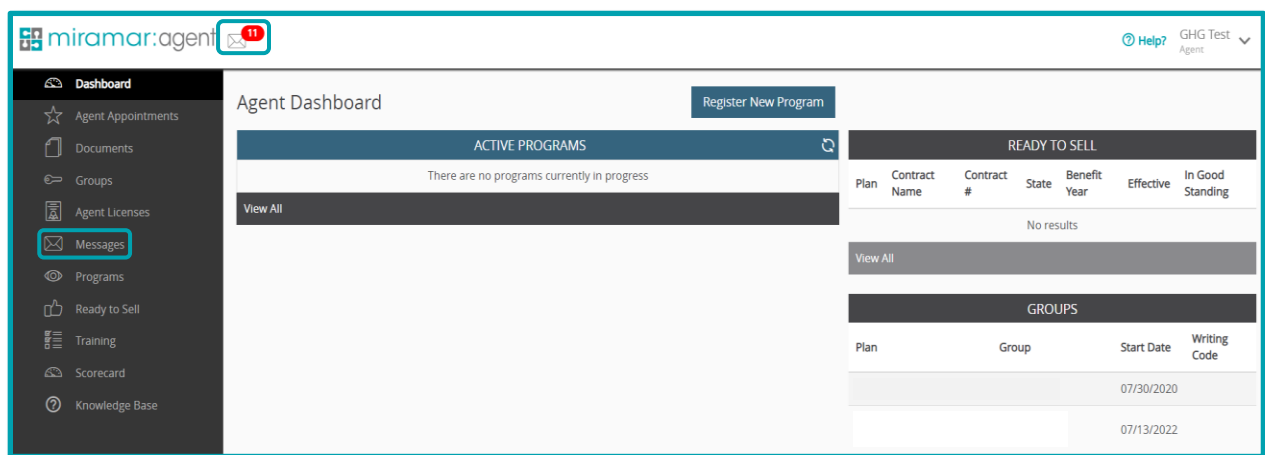

The screenshot shows the 'Agent License Management' page. On the left is a navigation menu with 'Agent Licenses' highlighted. The main content area has a title 'Agent License Management' and a sub-header 'AGENT LICENSES' with an 'Export' button. The table body contains the text 'No results' and '0 results'.

State ▲	License #	License Class	Line of Authority	Effective Date	Expiration Date	Status

MESSAGES

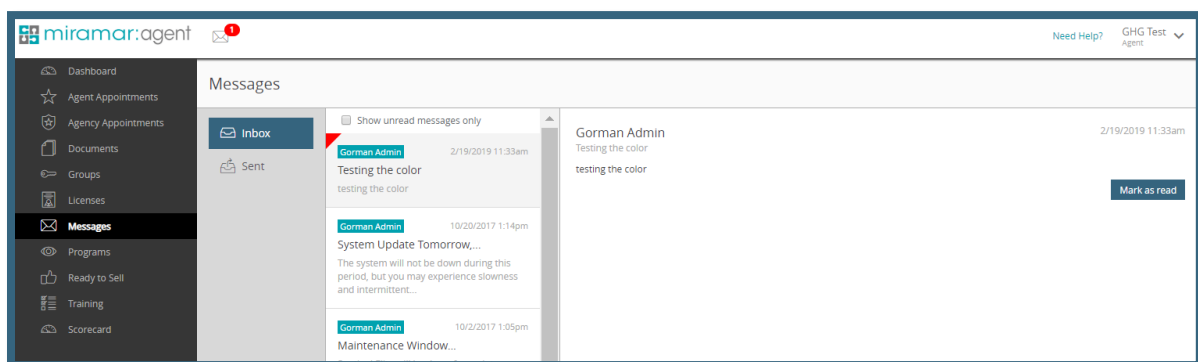

The Messaging Center will be activated when you receive a message. To view your messages that have been sent to or from your plan, click into **Messages** on the Dashboard menu or into the *envelope icon*  at the top of the page.

From your messaging center, you can mark messages as read by clicking **Mark as read**. You can also sort to only see your unread messages or view your sent messages.

 **NOTE:** Some messages are sent as informational only and will not allow a reply.

From this index, you have insight into when you were enrolled in the program, when you started and completed the program, as well as what your current status is within the program. Additionally, you can action the program by clicking into what is listed in the *Tasks* column.

The screenshot shows the 'Program Enrollments' page in the 'miramar:agent' interface. The left sidebar is the same as in the previous screenshot. The main content area is titled 'Program Enrollments' and features a search bar with 'Program name' and a 'Submit' button. Below the search bar are filters for 'Status' and 'Active Status'. The main area contains a table with columns: Plan, Benefit Year, Program, Enrollment Date, Start Date, Completed Date, Status, and Task(s). The table currently shows '0 results'.

 **NOTE:** For more information on how to navigate within a program, see the section on *Program Navigation*.

READY TO SELL

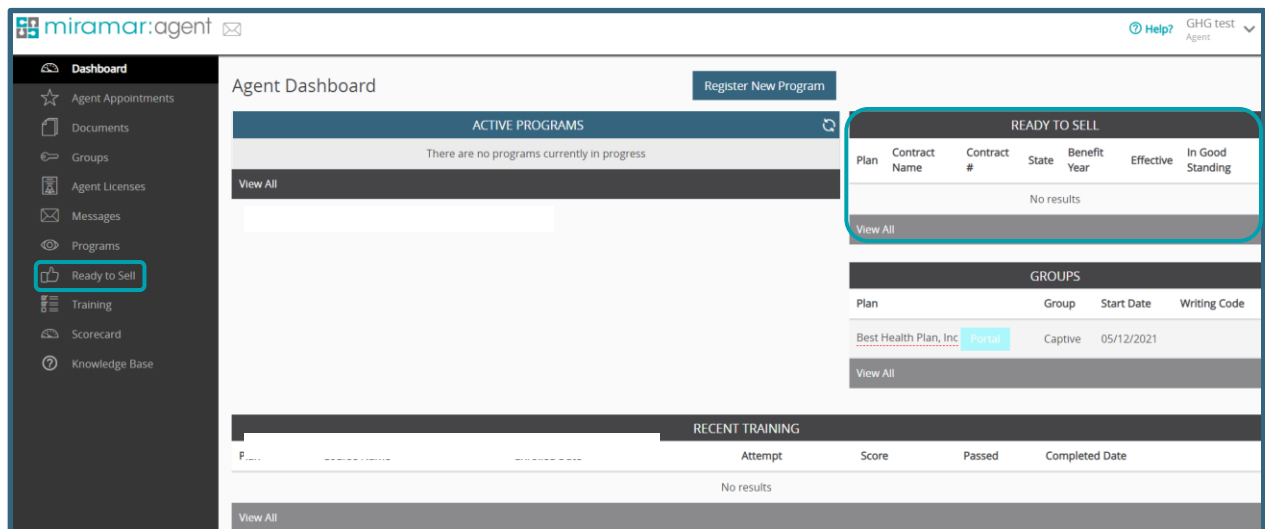

Agents who have been granted Ready to Sell (RTS) status have been deemed eligible to produce by the Plan in question by completing all prerequisite steps for the Plan’s program. Not all Plans utilize Ready to Sell status within Miramar:Agent.

To view a snapshot of the contracts for which you are Ready to Sell (RTS) for the current and upcoming benefit, view the *Ready to Sell* widget on the right side of the Dashboard. To view a full RTS history, click into **View All** from the RTS widget or **Ready to Sell** from the Dashboard menu. Accepted RTS status (Good Standing) is displayed with a green check mark (✓), while declined status is displayed with a red x mark (✗), status can also display as N/A for not available.

The RTS date is assigned within a program at the point at which required steps are completed as determined by the plan. RTS status is unique for each of the following:

-  Plan / Contract
-  State
-  Benefit Year
-  Effective Date

 **NOTE:** Not all plans use the RTS functionality in Miramar:Agent. If this is the case for the plan(s) whose program(s) you have completed, this section of the Agent Dashboard will not have any records.

When viewing the RTS page, you are able to search by Benefit Year or State or sort by Plan, Contract, Benefit Year, LOB, State, or Effective Date by clicking the column headings.

TRAINING

To view trainings completed within the last year, view the *Recent Training* widget on the bottom of the Dashboard. To view a full history of your training information, click **View All** from the Training widget or **Training** from the Dashboard menu.

From the Training index, you can search by course name or filter by benefit year or passed status.

IV. PROGRAM NAVIGATION

To take action in an active program, go to the Active Programs widget located at the top of the Agent Dashboard.

To the right of the program name, you will see a green button indicating the next action required. If you have not yet started the program, click the green **Start** button to begin the program.

The program is waiting for outside information such as plan administrator action, document review, appointment confirmation, background check results, etc. Please check back regularly to see if you have any actionable steps until the program is complete.
