

2025 eternalHealth

We are pleased to announce our 2025 eternalHealth Contracting is live!!! We have auto-registered your agents who were RTS in 2024 into the 2025 program. When they log into [Miramar:Agent \(miramar-agent.com\)](https://miramar-agent.com) the program will show in their Dashboard, the agents simply need to click Start to get going!

We have streamlined the certification this year, making it smoother for your current RTS agents and any New agents you would like to onboard. For any New agents, they will need to log into [Miramar:Agent \(miramar-agent.com\)](https://miramar-agent.com) and click on the Register New Program Button in their Dashboard. This will prompt them to enter a registration code, your team's code for New agents is **2025eHNew3345**. Once registered, they will see the eternalHealth 2025 Certification External New Agents program.
